The billing date is dependent on the billing cycle assigned to the Subscriber. Each bill contains monthly recurring charges billed in advance, usage charges billed in arrears, and the last date for timely payment. Recurring charges will be prorated in the event that the service for which the charges are made is less than 30 days.
- B. Bills are due and payable as specified on the bill. Bills may be paid by mail or in person at the Company's business office or an agency authorized to receive such payment. - D.
